

## Meet Vista's June Interns

### Aaron Stephens

I've been blessed to be involved with Vista since the very beginning. I moved to Dublin about seven years ago from Findlay, Ohio. Prior to that, I obtained my undergraduate degree from Bluffton University in finance & my MBA in organizational leadership from the University of Findlay. After many years of working for the same financial institution through several mergers & acquisitions, last year I joined Insight Bank -- a local start-up commercial bank. This past January, I began my first quarter at the Vineyard Leadership Institute (VLI), an accelerated ministry program. My passion lies in helping others pursue a life of loving God & living freely. If you want to know more you are going to have to ask me ; )

### Bryan & Jen Arnold

Hello, I'm Bryan and I LOVE Jesus. I'm married to Jennifer, the most amazing gift from God. I'm teacher in Dublin, a lacrosse coach at Olentangy Orange and a camp supervisor at the Dublin Rec Center. I made Jesus my Lord and Savior in middle school on a youth group ski trip. It has definitely been a journey following and walking with Him.

I love to learn about Jesus and to travel. In college, I was blessed to be able to do both by traveling to Australia and Argentina with Youth With a Mission (YWAM), where I spent four months in discipleship training school and two months participating in evangelism outreach. I've been blessed to be able to attend VLI. I feel God's hand directing me to teach truth and combat culture. I'm so grateful for who God is and His constant outpouring of love and provision.

Hi, I'm Jen, follower of Jesus, wife to Bryan and daughter of six amazing parents! I serve as part-time ministry coordinator here at Vista and part-time publicist for Marketing Works. I gave my life to Christ and experienced God's grace and humbling redemption in late 2007. Bryan and I met here at Vista in June 2008 and were married by Pastor Mike last July. We've been amazed at God's provision and blessings upon us as we've striven to walk with Him faithfully each day. We're so grateful to God and Vista for affording us the opportunity to dig deeper into His Word and His perfect will by attending the Vineyard Leadership Institute (VLI). Blessings and love to you!

### Tim Stauffer

LaRonda and I have been married for 12 years and are the proud parents of Michaela (9), Adalie (5), and Kyrell (4). We live in Marysville and have been attending Vista for about five months. I am nearing the completion of a graduate program in clinical counseling at Ashland Theological Seminary. My primary call in life is to be an agent of healing to lost and wounded people. But my passion is the local church because it is the transformational context where people meet Jesus.
